60 years

We want to thank everyone for coming to our 60th party, it was a lovely morning and a fitting way to celebrate 60 years of our much loved nursery,

We hope it has many happy years ahead.

We continue our topic on jobs and the children have been learning about farming, our home corners have been cafes, post offices and a builder's yard, they have been doctors, knights and princesses.

We'd like to welcome parents to come in and talk to the children about the job you do. If this is something you can do and have 5 mins to spare please let us know we'd love to have you.
